Dr. Romano - Tel Aviv, Israel

## Dr. Rafi Romano and Dr. Hatto Loidl

Two worldwide renown lingual experts – show you with a variety of clinical cases and hands-on training how to manage your lingual cases securely, with a clear protocol and full control in the doctors' hands.

Dr. Loidl - Berlin, Germany

**Dr. Rafi Romano**, is a specialist in orthodontics and dentofacial orthopedics, earned at The Dental Faculty, Hebrew University, Hadassah Jerusalem. He maintains a private practice in Tel Aviv, Israel, limited to orthodontics, with an emphasis on adult and esthetic orthodontics.

**Dr. Rafi Romano** is the Editor-in-chief of "Orthodontics: The Art and Practice of Dentofacial Enhancement," Quintessence publishing (formerly, "World Journal of Orthodontics" –WJO) He is also a clinical instructor in the Department of Orthodontics, Tel-Hashomer Hospital, IDF, Israel. Dr. Romano is past president of the Israeli Orthodontic Society (IOS) and past secretary-treasurer of the International Federation of Esthetic Dentistry (IFED). Dr Romano is an active member of the European Academy of Aesthetic Dentistry- EAED, the American Association of Orthodontists- AAO and the World Federation of Orthodontists - WFO.

He is former editor of the Journal of the Israeli Orthodontic Society, and editor of four books: Lingual Orthodontics, (Decker, 1998), The Art of the Smile (Quintessence, 2005), The Art of Treatment Planning (Quintessence 2009) and Lingual & Esthetic Orthodontics, (Quintessence 2011). A fifth book, The Art of Detailing, is now in the pipeline, also to be published by Quintessence.

**Dr. Rafi Romano** is an Invited Professor at the Department of Facial Orthopedics and Orthodontics, Specialization and Master course, University Paulista UNIP, Sao Paulo, Brazil. He is also Visiting Professor of Lingual Orthodontics at the University of Alcalá, Madrid, Spain.

He lectures worldwide on esthetic orthodontics and adult multidisciplinary orthodontic treatment and conducts courses in lingual orthodontics around the globe.

**Dr. Hatto Loidl** is an orthodontic specialist from the University of Berlin, Medical School Charité, Berlin, Germany, where he worked as an Associate Professor since 1998 and has his own private practice since 2002 exclusively dedicated to orthodontic treatment in Berlin, Germany. His focus of work is interdisciplinary adult treatments with lingual appliances.

**Dr. Hatto Loidl** has conducted courses in more than 30 countries dedicated to lingual orthodontics, skeletal anchorage and self-ligating technology. More than 50 publications in different countries and contributions to 3 key orthodontic books are complementing his clinical experience which he also provides as an active member to the following societies: The Berlin Society of Orthodontics (BGKFO), the German Society of Orthodontics (DGKFO), the European Society of Orthodontics (EOS), the American Lingual Orthodontic Association (ALOA), and the World Society of Lingual Orthodontics (WSLO).

With his special dedication to practicable and efficient appliances, Dr. Hatto Loidl worked as a Co-developer for the Tissue Extruder®, Evolution SLT™ Lingual self-ligating Bracket, Smart Jig™ lingual transfer system, Joy™ Lingual Bracket, Distal Glide™ distalizing appliance, Starlight Express™ button former.
